WATER PLANTS.

Eichhornia Azurea. (Blue Water Hyacinth.) This is a very interesting and beautiful Aquatic plant. The habit of growth is altogether different to the well-known E. Crassipes Major. The stem is as thick as the thumb, floating and rooting. The flowers are produced on large spikes, similar to those of Eichhornia Crassipes Major, but are of a lovely shade of lavender blue, with a rich, purple center, with a bright yellow spot on the blue. The petals are delicately fringed; very attractive and continuous bloomer. Brazil. Price 20 cents each, $1.75 per dozen.

Tillandsia Zebrina.

Eichhornia (Pontederia) Crassipes Major. [Water Hyacinth.] $2.00 per 100 prepaid or $10.00 per 1,000 not prepaid.
